

President's Patch

By President Deb Blaylock

The 2021 gardening season is a wrap. Heavy and wet snowfall across south central Alaska last night and today seems to have signaled the end. But I see the forecast shows sunshine coming up. We still might have an opportunity to get the garlic and other bulbs planted before the deep freeze sets in. Hopefully, we aren't all left with a yard full of "winter yard art" from things we haven't had an opportunity to stow for the winter.

The Board of Directors met on September 23rd and reviewed the 2022 Standing Rules and Budget. We also briefly discussed the 2022 State Master Gardeners Conference. The standing rules are ready for member review on pages 3 & 4. Please look at the rules and let us know of any needed changes at the October 4th meeting. We should have the budget emailed out prior to the meeting as well. Please review it as well and come with any suggested changes.

I will be stepping down as president but have volunteered to be the 2022 State Master Gardener Conference chair. As in years past, we need volunteers to help with the various committees. See page 7 of the newsletter for a list. Many of these will only take a few hours of time to prepare for and we have lots of information from our previous conferences to help folks. The Cooperative Extension Service is helping out as well and will lighten the load.

We need some ideas for a conference theme as well as potential locations. Please come with some great ideas to help out! The conference is always well received within the community and something to look forward to.

One final word: we still need a Vice President and Secretary for 2022. There are quite a few standing committee vacancies as well. Please let us know if you can help out. See you all on October 4th.

GENERAL MEETINGS

FIRST MONDAY OF THE MONTH

NEXT GENERAL MEETING

MONDAY, OCTOBER 4TH, 2021, 7 P.M.

LOCATION:

LAZY MOUNTAIN BIBLE CHURCH

16005 SHAWN DR, PALMER, AK 99645

<https://goo.gl/maps/DFDjXbs6xddThg8a9>

PLEASE COME EARLY TO HELP WITH SET-UP.

BUSINESS MEETING AT 7 P.M.

SPEAKER/TOPIC AT 7:30 P.M.

OUR OCTOBER MEETING WILL FOCUS ON A ROUND TABLE DISCUSSION ON OUR 2021 GARDENING SEASON. BRING SOMETHING TO SHARE FROM YOUR GARDEN OR QUESTIONS OR CONCERNS YOU HAVE FROM THE PAST GROWING SEASON. IF YOU CAN'T ATTEND, YOU CAN EMAIL YOUR QUESTION TO THE CLUB'S EMAIL AND WE'LL DISCUSS IT AT THE MEETING.

THE SECOND PART OF OUR MEETING WILL BE OUR INITIAL PLANNING MEETING FOR THE 2022 STATE MASTER GARDENER CONFERENCE

PEASANT'S PERSPECTIVE: BY CURT MUELLER, MASTER GARDENER

PHOTO BY THE AUTHOR

What happened? Our trees have yet to reach the full glory of fall color and we've already had a touch of the white stuff! Let's hope we don't get a heavy snowfall before our trees lose their foliage and get bowed to the ground with loss of branches or worse. What comes next? Will it be Indian summer or early winter? Time to finish the fall chores, at any rate.

Marge and the peasant got the potatoes harvested on September 20 with the help of a son-in-law who is kind and gives us a hand with many things. Still to harvest at this date are carrots, parsnips, rutabagas, some turnips, and incredibly beautiful late cabbage. These crops can manage some frost, but not freezing soil. Most years we finish the harvest in early October, but the coolness makes us skittish.

Our storage depends on cool temperatures in order for fall harvests to store well. As a consequence, we wait until the frosty nights of early October to finish the harvest. Well, frosty nights are here, so let's get it done. We have a cooling system for our storage bins which uses a fan and a loop of PVC pipe to get the bins cooled down using outside air. At that point gravity takes over and keeps the bins at a low storage temperature. During subzero weather, the pipes can be plugged to stop circulation and prevent freezing temperature in the bins.

One of the potato varieties we like to grow is Fiesta. They continue to bloom and put on size until we get a hard frost, or they have been dug. They have a bicolor which color the skin and also the flesh of the spud. Nordonna, Shepody and German Butterball round out our favorite varieties and give us a wide selection for our winter suppers.

Late storage cabbage can manage some pretty stiff frosts. The variety we are currently growing is Decurion, with a 110-day maturity and very firm heads. A past favorite has been Princeton, but the

seed is no longer available to us. Heads of Princeton are smaller and store very well. The stalks of these late cabbages are long and raises the heads above ground level for some protection from slugs.

Marge and the peasant keep on with the gardening. Fortunately, we get a lot of family help with some of the heavy work, allowing us to continue this satisfying and healthful lifestyle. We contribute transplants and other plants and share our experiences in return for their very generous help.

Thanks folks. Enjoy the benefits of a bountiful harvest.

A nice solid head of Decurion late storage cabbage. The plant stalk holds the head well off the soil, thereby discouraging slugs from getting into the heads. Photo taken September 21, 2021.

2022 Mat Su Master Gardener Association Standing Rules

Draft August 2021

Annual review:

The Board shall review these standing rules annually in September for presentation to the membership at the October meeting. The proposed standing rules will be published in the October newsletter for review by group members. The membership will vote on the new standing rules at the November annual meeting.

Amendments:

These Standing Rules may be amended by a majority of members present at a regular meeting after having been presented by the Board.

Dues:

Yearly dues are \$15 for each member or \$20 for a household (more than one member in same household) membership and are payable by December 1 for the following calendar year. If dues are paid by January 15, the member will be listed in the membership directory (if they agree.)

Expenditures:

The Board, at its discretion, can spend up to \$100 per event/activity without vote of the membership for non-budgeted expenses for workshops, projects, and supplies. There shall be maintained in the checking/savings accounts enough monies to fund the yearly budget. Reimbursed expenses are only paid from receipts submitted to the Treasurer within 45 days of expense. Any purchases must be in the approved budget or pre-approved by the Board for up to \$100.

Plant sale:

All Mat-Su Master Gardener Association members who have joined or renewed their membership AND signed up to participate in the plant sale by the May meeting can participate in the plant sale. The Association will provide the members signed up for the plant sale with yellow labels for prices and white labels for plant names at the April and May meetings.

Standing Committees:

Newsletter - The committee shall prepare the monthly newsletter and send it to the web master to post it online and send an email with a link to the web page. This committee will also send out emails and other notices to Association members and interested parties on various club activities and as requested by the Association. Members without email will get a newsletter mailed to them after they provide the Board with their mailing address.

Rebarcheck Farm - The committee will make recommendations and submit plans to the MMGA members for approval and participation.

Parade participation - The committee shall arrange to sign the Association up for parades if requested by the membership, and for a float to be made if so desired. The committee will coordinate work-days and a location to build the float if needed.

Palmer Veterans and Pioneers Home (PVPH) and Palmer Library Planting - The committee shall buy plants in accordance with the Association's budget and arrange for a planting date for the PVPH to be announced to the members. If soil in beds needs amending the committee will arrange for amendments to be donated or purchased. The Association traditionally does the Palmer Library on the first Monday in June. The committee will coordinate a weeding schedule with Association members which will be published in the newsletter and on the website.

Plant Sale - The committee shall:

1. The Board of Directors – usually the President - will arrange for the Palmer Downtown Pavilion a year in advance.
2. Arrange for supplies and advertising.
3. Pick up and hang the Association's plant sale signage on fences around Palmer. Also pick up the large sign to hang up on the Pavilion the day of the plant sale.

Continued on page 4

Continued from page 3

4. Provide sign-up sheet for sellers at April and May meetings.
5. Send reminders to members to save boxes for the plant sale.
6. Get table and chairs from the CES office.
7. Oversee operation on the day of sale.
8. Tally yellow plant price labels and assist the Treasurer in tallying cash receipts.
9. Arrange with Treasurer for checks to be written to selling members.
10. Give yellow plant labels back to selling members.

State Fair - The committee shall coordinate with the State Fair Flower and Crops Department Superintendents on which division and class the Association will sponsor for each year's Alaska State Fair. The treasurer will purchase gift cards and deliver them to the Alaska State Fair representative for delivery to winners. The Board decides how much to give for each prize.

There are fourteen prizes: seven first entry winners and seven second entry winners in the following divisions/classes (total \$800 budget estimate):

Crops Department

- | | | |
|-------------|--|-------|
| • Veg Heads | Division 16, Class 01, Junior (ages 6-12), first place | \$ 50 |
| • Veg Heads | Division 16, Class 02, Junior (ages 13-17), first place | \$ 50 |
| • Veg Heads | Division 16, Class 03, Open, first place winner | \$ 50 |
| • Veg Heads | Division 16, Class 04, Classroom, Elementary only, first place | \$100 |

Flowers Department

- | | | |
|-------------------|---|-------|
| • Trees & Shrubs | Division 5 Champion | \$ 50 |
| • Collections | Division 10 Champion | \$ 50 |
| • Artistic Design | Division 13, Class 4, Fair theme design, first place winner | \$ 50 |

Summer Garden Tour - The committee shall arrange for garden tour/events that may occur on dates other than monthly meeting dates, announce the dates at the meeting and submit the information for inclusion in the newsletter the month before the event.

Webmaster - The webmaster shall keep the Mat Su Master Gardener web site up to date with Association activities and information. The Planting Committee Chair will provide a summer weeding and watering schedule to the webmaster to post on the website for members to sign up.

Membership Directory - The committee shall compile, format, submit for printing and arrange distributing the annual yearbook to members only.

Scholarship/Grant Committee – The committee will promote the MMGA Scholarship and Grant program, review applications and present qualified applicants to the membership for funding approval.

Midsummer Garden and Art Faire – Coordinate with the Palmer Midsummer Garden and Art Faire committee. Gather volunteers to help set up and take down the booth and man the booth throughout the Faire.

Guest Speakers/Meeting Space Coordinator for September through November and January through May meetings - Coordinate to provide educational presentations for regular meetings. Determine any requirements the speakers may need – i.e., computer or audio-visual equipment. Coordinate with the UAF-CES folks if audio-visual equipment is needed and/or a Zoom meeting. If Zoom meetings are being held, get the Zoom meeting information to the speaker. Coordinate meeting space (if needed) for regular 2022 meetings.

2022 State Master Gardener Conference - The conference chair will establish committees in preparation of the conference. At a minimum, the following committees are needed: Location/venue Coordinator, Vendor Coordinator, Schedule Coordinator, Speaker Coordinator, Advertising Coordinator, Donation Coordinator, Food and Refreshment Coordinator, Audio Visual Equipment Coordinator and any other committees deemed necessary. The committee will establish a conference theme, date and time, location, budget, and fees.

If there are no volunteers to coordinate any committee, the project or committee will not be completed for 2022.

MEETING MINUTES, SEPTEMBER 13, 2021

BY DORTE MOBLEY, SECRETARY

Zoom meeting was called to order by President Deb Blaylock at 7:00.

Present were Deb & Ken Blaylock, Eva Cohnen-Brown, Kristina Tornqvist, Curt & Marjorie Mueller, Craig Lisonbee, Cathy Crew and Sue Glenn.

Cathy presented the Treasurer report. We have \$5,211.36 in the checking account and \$7,754.36 in the savings account. There were no questions and the motion was made by Dorte to approve the report, seconded by Kristina, and passed.

Minutes were emailed out and there were no corrections. Motion made to approve the minutes, seconded, and approved.

Deb reported that we are in the process of getting new board members for next year. So far, we have the following:

President:	Dorte Mobley
Vice President:	
Treasurer:	Cathy Crew
Secretary:	
Member at Large	Sue Glenn

Cathy Crew will email Dorte the current membership list. Dorte will contact members about the Vice President and Secretary Board of Director vacancies.

Craig Lisonbee has volunteered to become the Midsummer Garden and Art Faire chairman. We still need volunteers for most of the other committees.

Rebarcheck project is on hold - there is a new person in charge at the Fair, but we don't have any more details for now.

We gave prizes to eleven winners at the Fair. Deb thanked everyone who entered crops and flowers in the Fair. Next year we

need to get information out to the schools about the "Veg-head" competition.

Huge thanks to Curt Mueller for his strong leadership in making the float happen in the State Fair Parade. He created the winning float. Good job! There are pictures on the State Fair web site and Facebook page.

Marge Mueller will be the Christmas party chairman. Deb will help cook the meat.

Deb Blaylock will be the 2022 State Master Gardener Conference chairman.

Guest speakers for the October and November meetings are being worked out. We will do a roundtable on what successes - and failures - we have had this summer for October. Meetings will be at the Lazy Mountain Bible Church.

The Board of Directors will do a Zoom meeting on the 2022 budget and standing rules on September 23rd at 7 p.m.

Deb presented a few slides showing the winning entries for the Crops and Flower Department entries that won our sponsorship awards for the 2021 Alaska State Fair. Congratulations to the winners.

Kathy Liska, the Crops Superintendent, sent a thank you note as well.

"Many thanks for your continued support and valued partnership of Special Sponsor Awards at the Alaska State Fair!"

Meeting was adjourned at 7:30

Following the meeting, Marion Owen of Kodiak gave a great presentation on composting. Thank you, Marion!

The University of Alaska Fairbanks Matanuska Experiment Farm and Extension Center strives to make our programs accessible for all individuals. If you or a family member who is attending a program needs accommodations to participate, please contact our office 5 days in advance to request services. This will give us the opportunity to provide assistance you require. (907)745-3360 or email Theresa Isaac tmisaac@alaska.edu

Photo courtesy Curt Mueller

These tiny crabapples will help provide sustenance for pine grosbeaks and Bohemian waxwings during the depths of winter. Marge and Curt have more than a dozen of these full-size trees, enough to keep the birds busy throughout the winter.

2022 STATE MASTER GARDENER CONFERENCE COMMITTEES

Please consider which committee you would like to help with for the conference next year. We need your help to make the conference a success. We will have the initial planning meeting at the October 4th meeting. Please join us at the meeting.

RECIPE OF THE MONTH

Recipe submitted by Deb Blaylock

This recipe is in honor of my sweet corn crop which didn't have a chance to finish ripening this year. Plus, it's something to use up all the candy corn left over from Halloween.

CANDY CORN SUGAR COOKIES

Ingredients:

- 2 $\frac{3}{4}$ cup of flour
- 1 teaspoon of baking soda
- $\frac{1}{2}$ teaspoon of baking powder
- $\frac{1}{2}$ teaspoon of salt
- 1 cup of butter, softened
- 1 $\frac{1}{2}$ cups of sugar
- 1 egg, room temperature
- 2 teaspoons of vanilla extract
- $\frac{1}{2}$ cup of candy corn
- $\frac{1}{2}$ cup of caramel chips

Directions:

Preheat oven to 375 degrees F. In a small bowl whisk flour, baking soda, baking powder, and salt. Set aside.

In a large bowl, cream butter, and sugar, about 4 minutes using a hand mixer. Add egg and vanilla to butter mixture and mix together. Slowly add in flour mixture, reserving 2 tablespoons of flour mixture. Do not over mix.

Toss candy corn and caramel chips with the 2 tablespoons of flour. Add caramel chips to cookie mixture.

To a well-greased pan, add 2 tablespoons of cookie dough for jumbo cookies, or 1 $\frac{1}{2}$ teaspoons for regular sized cookies. Top with candy corn.

Bake jumbo cookies for 13-15 minutes or until edges become slightly golden brown. Bake regular cookies for 8-10 minutes. Allow to cool fully before serving.

Makes about 12 jumbo cookies and about 24 regular cookies.

Tip: If adding candy corn into the cookie dough, when spooning dough onto the cookie sheet, be sure to either have candy corn within the center of the ball or on top to keep the candy corn from melting onto the sheet.

Alaska Top Crop Contest 2021

Join us for a virtual contest to see who grew the tallest, longest, biggest crops! Anyone and everyone in Alaska can participate. Show off what you grew!

10 CATEGORIES

PRIZES WILL BE AWARDED IN EACH CATEGORY

- TALLEST PLANT:** 1. Tomato 2. Sunflower 3. Corn
- CIRCUMFERENCE:** 4. Tomato 5. Potato 6. Pumpkin
- LONGEST:** 7. Carrot 8. Corn 9. Bean
- BONUS:** 10. Weirdest Looking Veggie

Contest will run

September 20th - October 1st

Club Membership

The membership year runs from January to December each year. Annual individual memberships are \$15 and family memberships are \$20. Family memberships are only for family members living in the same household. The deadline to join is January 15, 2022, to be listed in the annual membership directory.

Join or renew online.

Thank you!

How and What to Submit for the Monthly Newsletter

Your submissions are appreciated and make our newsletter what it is - so don't be shy about submitting items for publication.

However, there are a few rules which we all must pay attention to:

Articles, stories, poetry, upcoming events, and pictures (garden-related) are gladly accepted for inclusion in the newsletter. Please submit pictures in JPEG format and other items in Word format with no special formatting other than paragraphs. When submitting pictures, please provide a brief caption or explanation as to who or what is in the picture. I do not have a scanner to copy pictures, so I cannot accept hard copies.

If you are not the author or photographer, please ensure you have permission of the author or photographer to use their material in the newsletter. The newsletter publisher is not responsible for obtaining this for you.

Please do not provide magazine articles or pictures from the internet unless they are public domain items.

Deadline for submission of articles and info: 20th day of each month -- Thank you--
